FOUNDED BY MERMET

History of the Parish of St. Francis Xavier at Vincennes.

Indiana's Oldest Cathedral on the Site Pirel Occupied by a Rule Low Church, Erected About 180 Years Auto-

One hundred and eighty-nine year

ago the first church in which the tays the confortion organizate were accurarered in the state of Indiana was to rabblehed in Vinceiross by Father Mer-met. It was a rade log building, with out other floor than the earth, lighted by an opening in the roof; was warmen by a fire built after the manner of earny in the control niste, and the walls were dorned with a single print-that of St. Francis. How long Pather Mermet re mained in charge of the church he had entrated to St. Francis Xuvier canno be determined, but it is certain that he and Eather Marcett according to the church records, continued to visit the church as late as 1700.

The foundation of the present extheited building was laid in 1822. The limes and dust of these heried under the old church were gathered up and inclosed in a vanit of masonry built up der the central aisle of the present church. In the small subterraneur chapel at the rear of the church, direct "Some folkes as you knows is so hifalutin' ly under the grand alter, ites Bishop lmon firmte the first bishop of Vin In the meantime the governor name of jes plain Jerry, so day sticks on the grave marked by a plain [New Communities at the School Forces in the practice at any at Lagrangian and demands part and calls him Jerry, and the practice at the School South Africa I

A KAFFIR KRAAL.

From South Africa Arouses Storm of Indigination-Londoners Obfeet to the Show.

A storm of indignation has been

raised in London over the exhibition at the Earlscourt show of a Kathir krand, comewhat similar to the Dalcomey camp at the the Chicago world's fair In spite of the fact that the kraul is managed by an influential company, called the Save South Africa, limited, it

After serving another term in the exposition is alleged that the rilest orgics. take house Brown returned to the house in alter the save south Africa. Indicated is alleged that the viest orgices take place there. But the greatest storm was raised by the imposent and warse attentions showered by Englishmen upon these half-naked Kaffirs, instigated by corrosity, kindness or other motives. Fashionable women go into the black men's huts and give them presents. The Kaffirs put the worst possible interpretation upon femining advantion. The extent of this black worship has been brought out prominently by the quarriage of an alleged prince, a former inmate of the kraal, to an English girl who is well-connected. The papers denounce the show and publish long editorials upon the evicifeet it will have upon the status of white women living in South Africa. Among the shareholders of the concernaries for the concernaries of the concernaries of the concernaries for the concernation of the shareholders of the concernation of the shareholders of the concernaries for the concernation of the shareholders of the concernation of the share of the concernation of the shareholders of the concernation of the share of the concernation of the shareholders of the concernation of the shareholders of the concernation of the share of the concernation of the shareholders of the errn are Earl Grey, Mr. John Hays Ham-mond, Lord French, Maj.
